## Terms & Conditions and Travel Insurance

Your booking is subject to the Terms and Conditions of Audley Travel, which we will include with your personalised itinerary and can also be found on our website. It is vital that you have adequate travel insurance and we are able to suggest a number of policies either for the duration of your trip or on an annual basis.

## Group Travel

We offer a comprehensive programme of guided small group tours, typically no more than 16 travellers. Not only does this make for a sociable group but it also enables us to use smaller and more characterful accommodation and venture away from the large tour groups. We offer regular tours to several countries in Southeast Asia which have become very popular and are an alternative to a tailor-made itinerary.

We can also arrange private tours, whether this is for a group of friends, those with a special interest or a fundraising trip for charity. For larger groups we may be able to offer discounts or a free place to the organiser. See our website or call us to discuss your plans.

## Flights

Southeast Asia is very well served by good quality international airlines. Bangkok, Kuala Lumpur, Singapore and Hong Kong all have direct flights from the UK and offer good connections to other cities in the region. There are also direct flights into Vietnam. It is also possible to fly to Southeast Asia via the Middle East. Most airlines originate in London, but there are also a number of connecting flights from regional UK airports. Please discuss with your specialist if you are interested in travelling in premium economy, business or first class, as this will affect our choice of airline.

## AITO Membership
